

Fig. 1.125. Spatial distribution of maximum annual cumulative duration of extremely severe heat waves/warm spells
Distribuția spațială a duratei cumulate maxime anuale a valurilor de căldură/periodelor calde extrem de severe

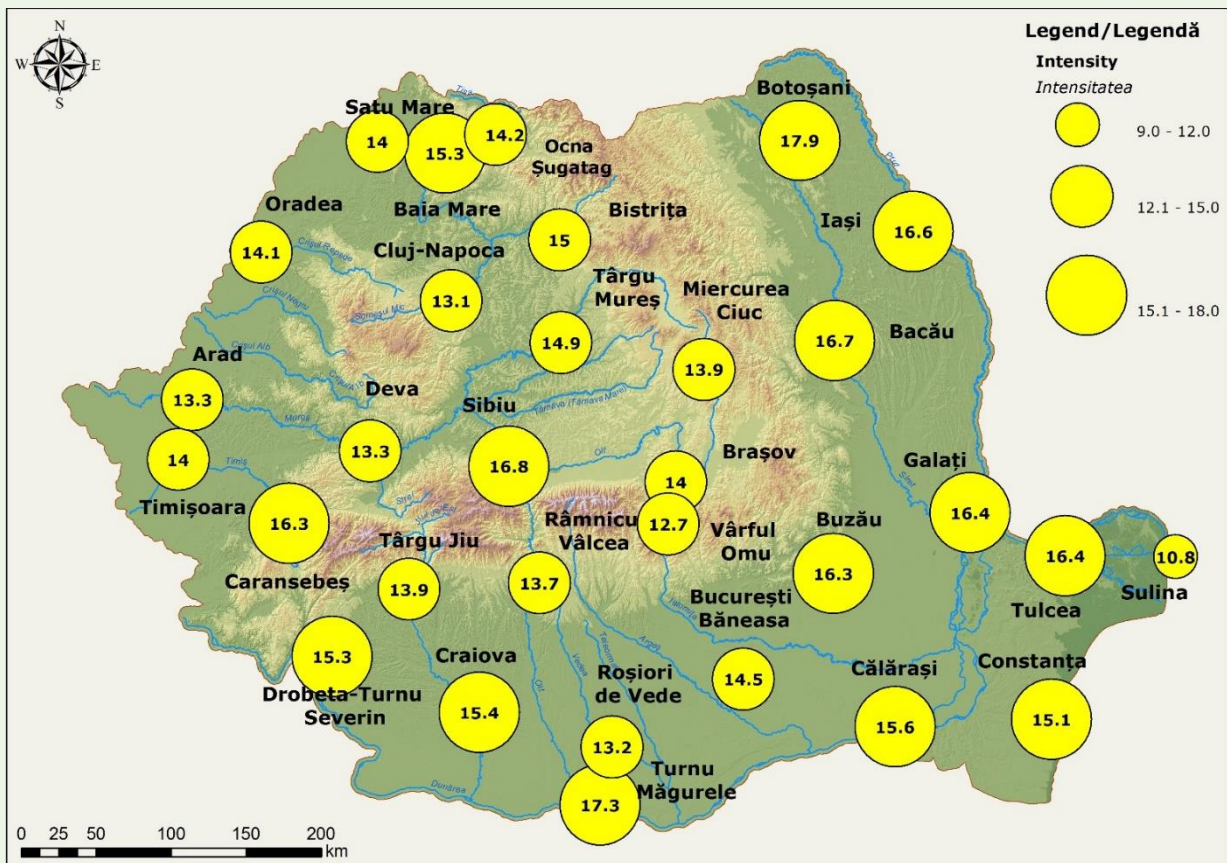

Fig. 1.126. Spatial distribution of maximum annual intensity of extremely severe heat waves/warm spells
Distribuția spațială a intensității maxime anuale a valurilor de căldură/periodelor calde extrem de severe

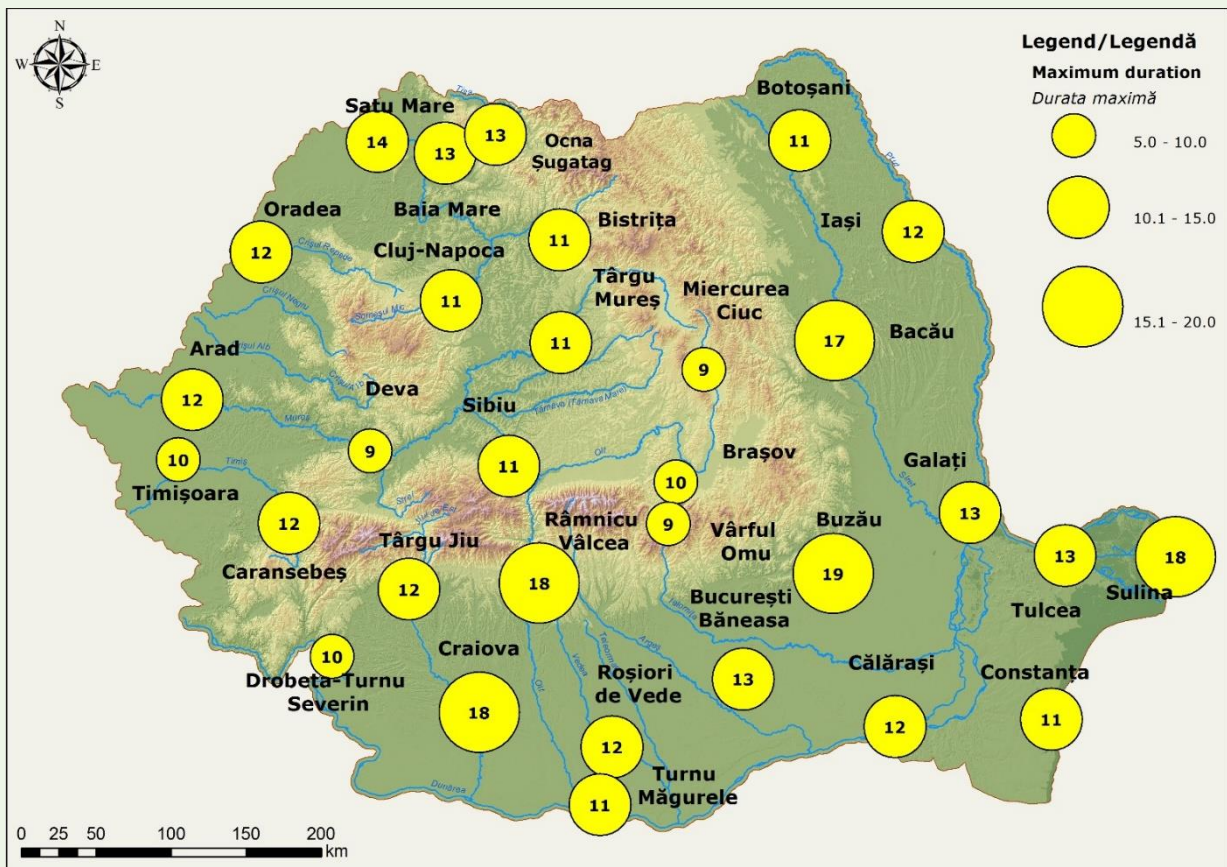

Fig. 1.127. Spatial distribution of maximum annual duration of extremely severe heat waves/warm spells
 Distribuția spațială a duratei maxime anuale a valurilor de căldură/periodelor calde extrem de severe

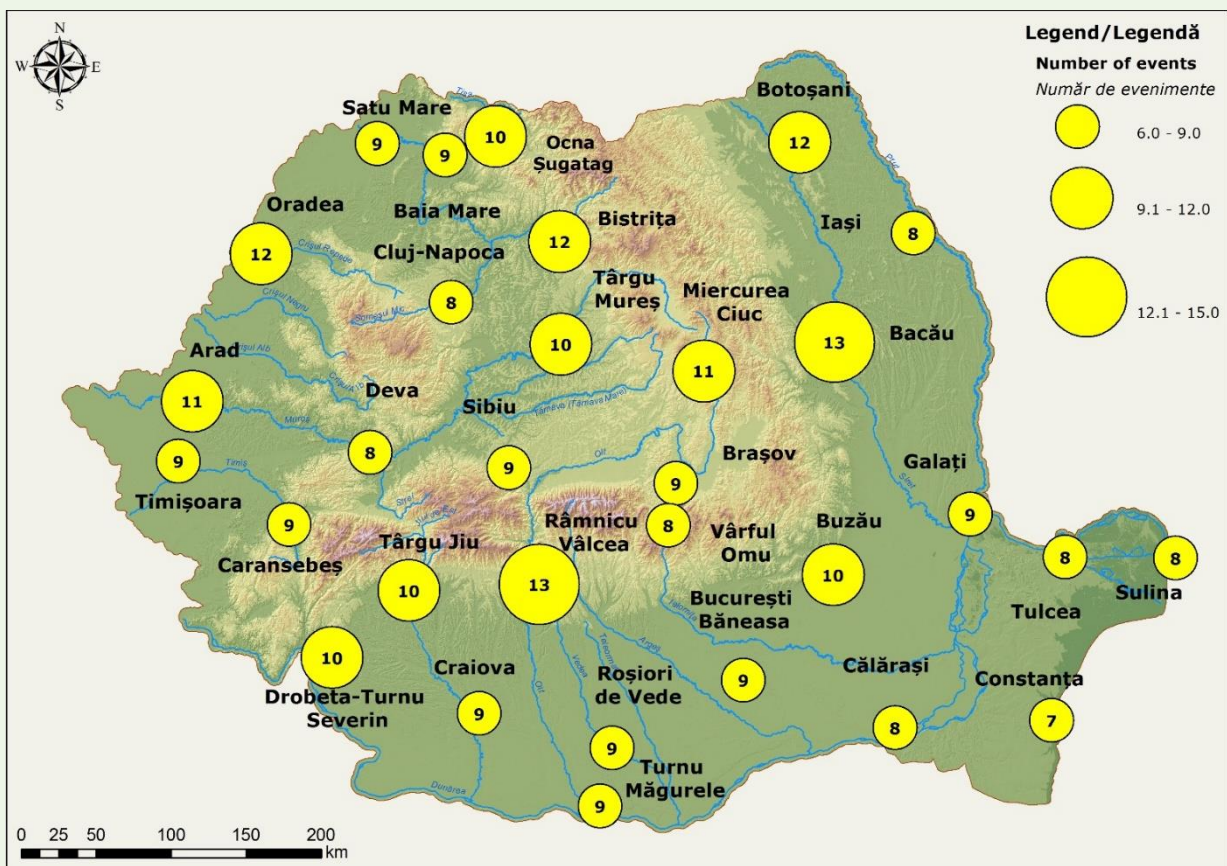

Fig. 1.128. Spatial distribution of maximum annual number of extremely severe heat waves/warm spells
 Distribuția spațială a numărului maxim anual al valurilor de căldură/periodelor calde extrem de severe

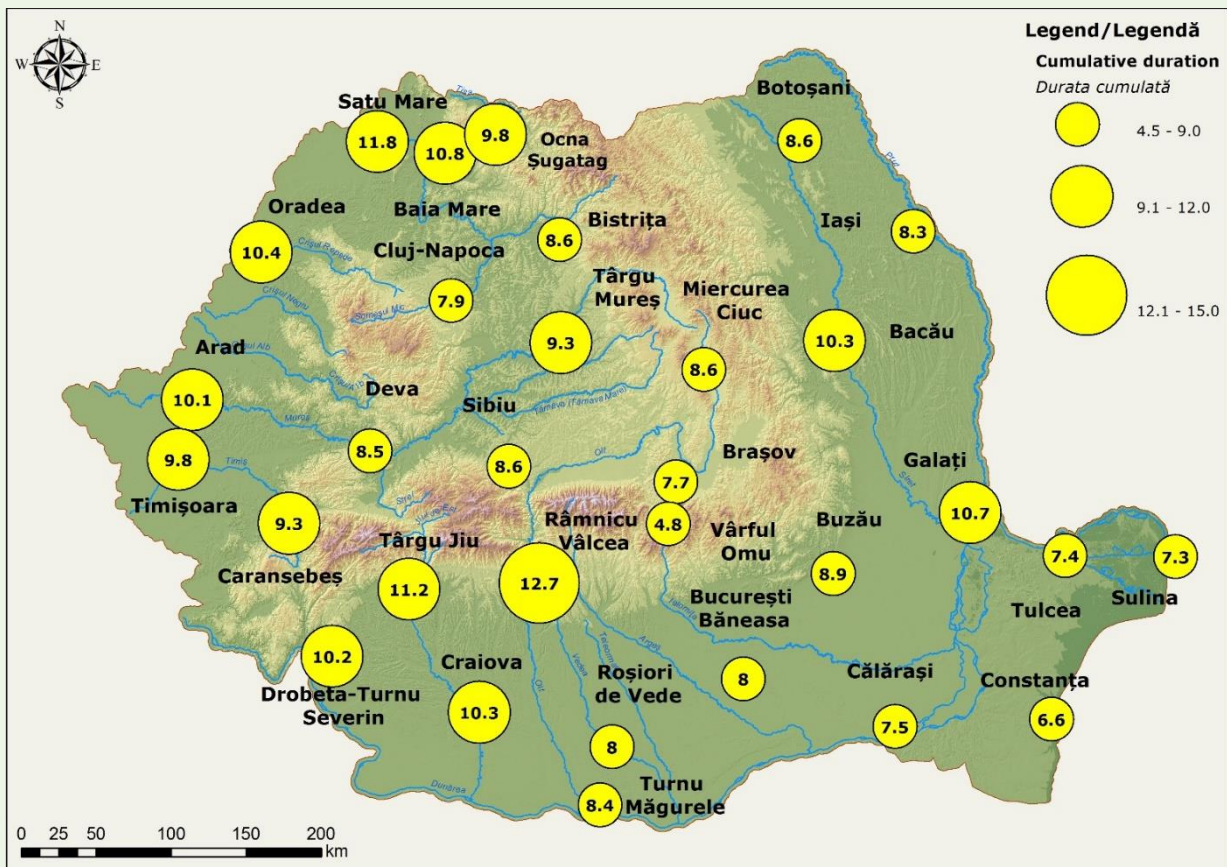

Fig. 1.129. Spatial distribution of mean annual cumulative duration of extremely severe heat waves/warm spells
Distribuția spațială a duratei cumulate medii anuale a valurilor de căldură/perioadelor calde extrem de severe

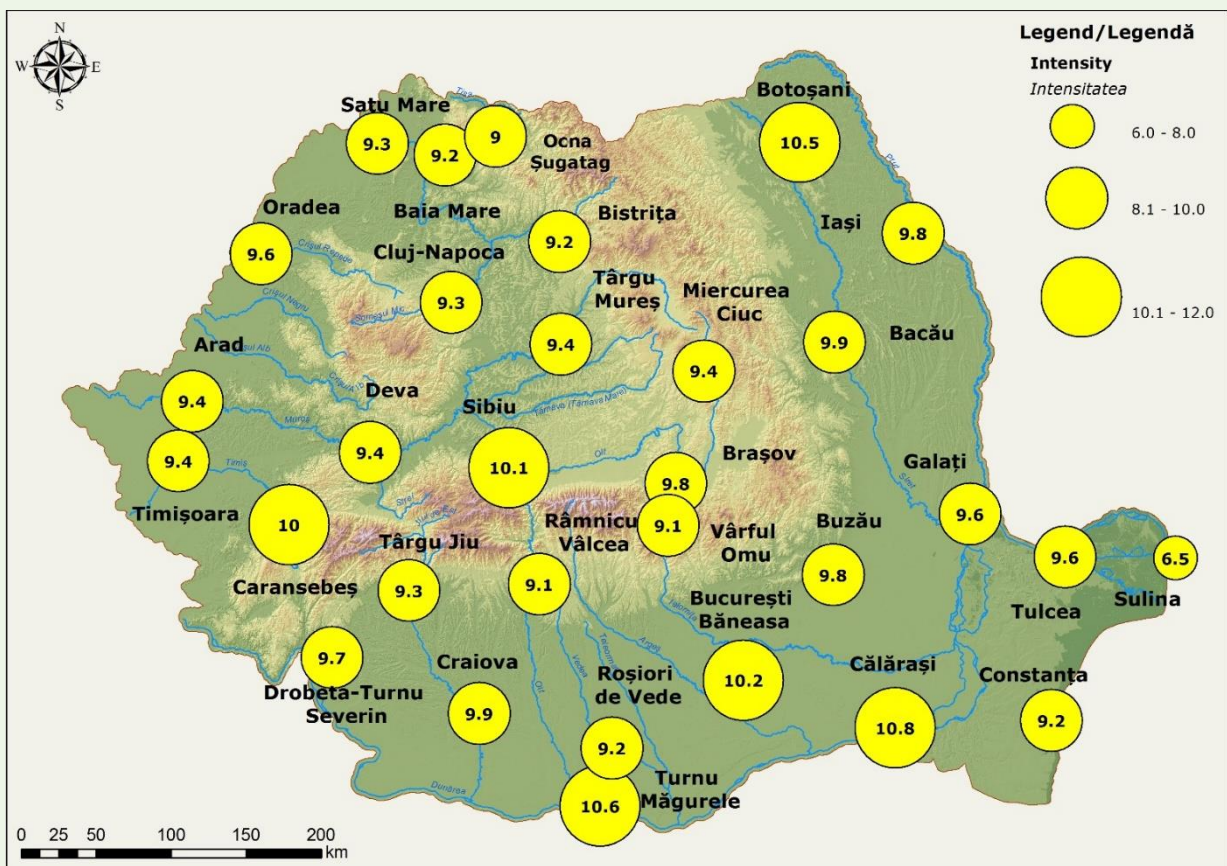

Fig. 1.130. Spatial distribution of mean annual intensity of extremely severe heat waves/warm spells
Distribuția spațială a intensității medii anuale a valurilor de căldură/perioadelor calde extrem de severe

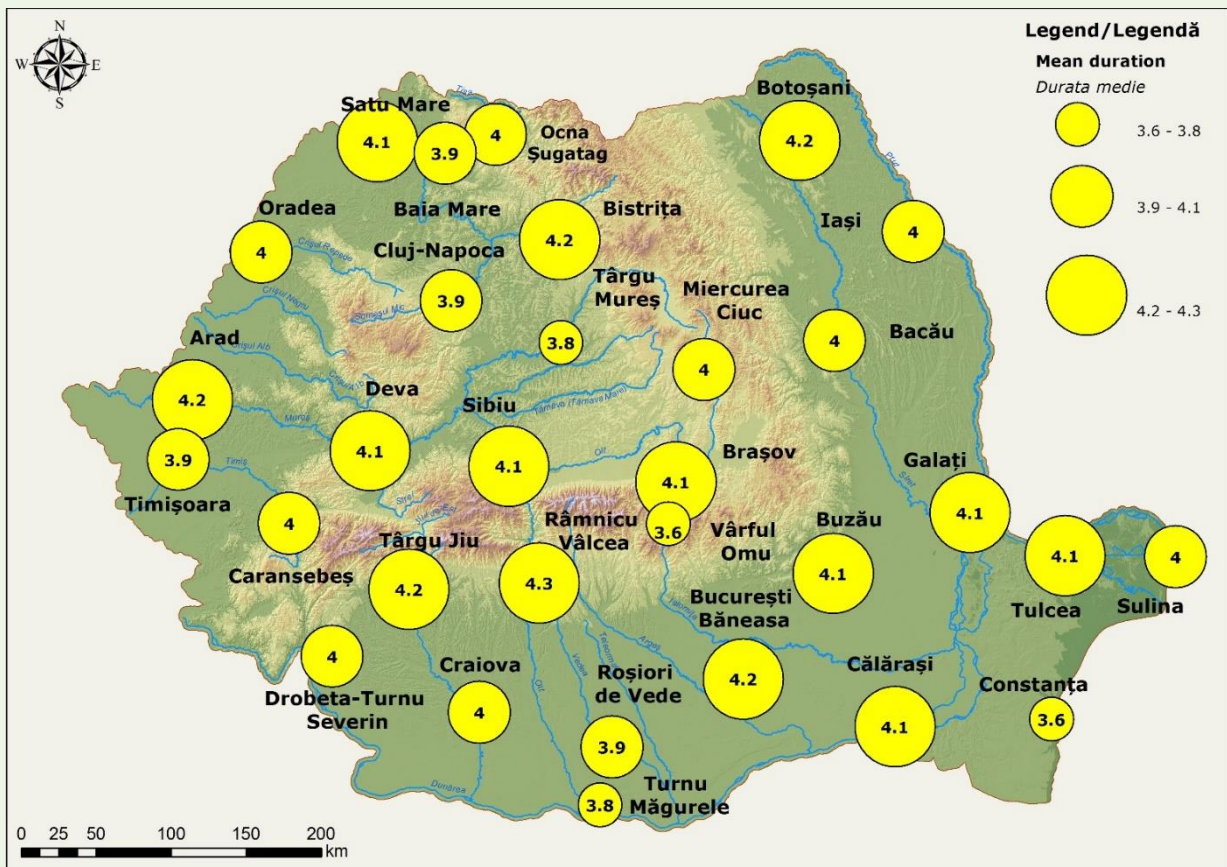

Fig. 1.131. Spatial distribution of mean annual duration of extremely severe heat waves/warm spells
 Distribuția spațială a duratei medii anuale a valurilor de căldură/perioadelor calde extrem de severe

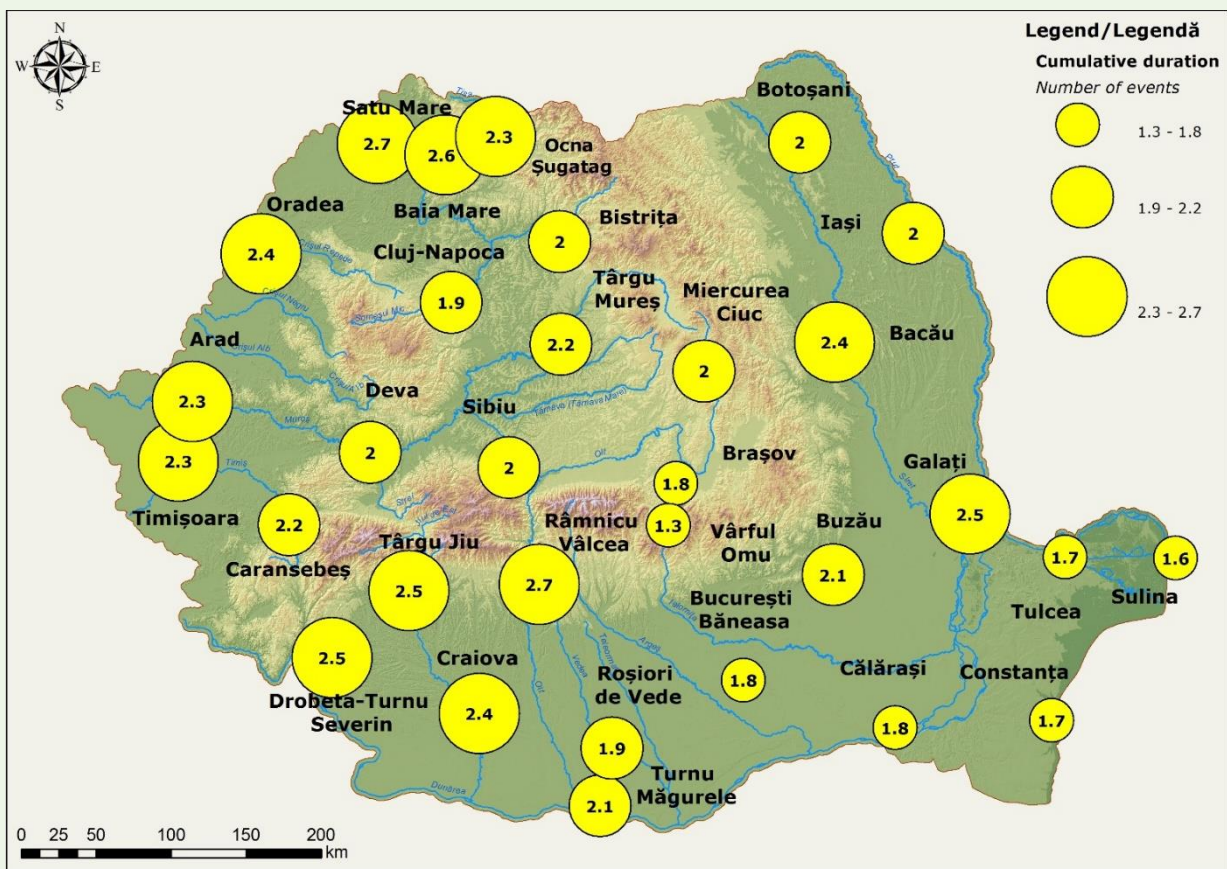

Fig. 1.132. Spatial distribution of mean annual number of extremely severe heat waves/warm spells
 Distribuția spațială a numărului mediu anual al valurilor de căldură/perioadelor calde extrem de severe
